Notes: 1. This map shows the lowest available rate on each township and range. Rates vary from company to company.

11. Rates shown above are base rates. Crops such as Canola, Peas, Lentils, etc. may have higher rates.

111. In the case of a difference in rates between this map and a company map, the company map will apply.

1V. Use of a deductible will reduce your premium.

Four Solid Companies to Choose From:

**RAIN & HAIL, CANADIAN HAIL,
CO-OP, PALLISER**

Our computerized program makes rating fast and accurate!
Some townships tend to sell out fast, early application is recommended.
