This map shows the lowest available rate on each township and range. Rates vary from company to company.

Rates shown above are base rates. Crops such as Peas & Lentils, etc. may have higher rates.

In the case of a difference in rates between this map and a company map, the company map will apply.

Use of a deductible will reduce your premium.

Four Solid Companies to Choose From:

**RAIN & HAIL, CANADIAN HAIL,
CO-OP, PALLISER**

Our computerized program makes rating fast and accurate!
Some townships tend to sell out fast, early application is recommended.
